# Out & About

## Meydan Madrasa

The Madrasa, which was built at the time between 1700 and 1701 by Ibrahim bey, the son of Izzeddin, who was the ruler of Hakkari, was restored by the General Directorate of Foundations in 1984 and took its current form. With its distinctive architectural structure, Meydan Madrasa is an important point that you should add to your list of places to visit in Hakkari.

## Megan Butan Ski Center

It is located 12 km from Hakkari. The ski center, which was put into service in 2010, has 3 tracks with a total length of 4 km in accordance with international standards. It serves as a ski center for 6 months during the year.

## Cilo Glaciers

Cilo Glaciers, located at the provincial border of Hakkari, at an altitude of 4130, are the second highest peak in Turkey. For this reason, there is snow in all seasons. The history of glacier mountains with caves formed in ice flakes dates back to 3500 years. It provides an ideal environment for mountain climbing and hiking, photography and rafting.
